RARE...

The craft of turning a rare stone into a precious gem is a rigorous test of artistry, technology, creativity, discipline, grand vision, and micro detail. We personally supervise the manufacturing of each gem to the most precise standards.

EXQUISITE...

Greene & Co. esteemed clientele receive 'first choice access' to the most exquisite diamonds fresh from the cutting wheel. We work with 100% conflict free diamonds. All stones are cautiously sourced and GIA or Forevermark certified diamonds.

...& CUSTOM-MADE

The sky is the limit! Greene & Co. can custom build any piece of jewelry that you have been dreaming of. We begin with a short consultation to get to know you, your jewelry “style,” and any milestones you are celebrating.
